Quotable Moment

"All of us have that "voice". It is where all inspired thoughts come from....but when you have electronic screens in front, of you, speaking that voice for you... it DROWNS OUT THE VOICE! When I talk to children and aspiring writers, I always ask them to **listen to the voice, turn off the T.V. and**

LISTEN...LISTEN...LISTEN."

~ Patricia Polacco ~

(Beginning writers may write the ending, shown in **bold print**.)
